Re: **CC Docket No. 96-45, FCC 97-419, DA 05-269:** Petition for
Designation as an Eligible Telecommunications Carrier

Dear Ms. Dortch:

Attached for filing with the Federal Communications Commission (“Commission”), please find a copy of the “Second Revised Narrative Description” to supplement the revised Exhibit 1 of the Petition of Southern Communications Services, Inc., d/b/a SouthernLINC Wireless¹ (“SouthernLINC Wireless”) for designation as an Eligible Telecommunications Carrier (“ETC”) in the rural areas of its licensed service territory in the State of Alabama (“Petition”). SouthernLINC Wireless filed the Petition with the Commission on September 14, 2004, the revised Exhibit 1 on January 12, 2005, and the original narrative description on January 21, 2005. SouthernLINC Wireless filed a revised narrative description with the Commission on March 2, 2005. The Second Revised Narrative Description that SouthernLINC Wireless is filing today replaces in their entirety the January 21, 2005 original narrative description and the March 2, 2005 revised narrative description.

¹ Since the original Petition was filed, SouthernLINC has undergone a name change to SouthernLINC Wireless. As a result, Petitioner requests designation in the name “SouthernLINC Wireless” and not in the name “SouthernLINC” as indicated in the original Petition.

Federal Communications Commission

As indicated in its Reply Comments filed on March 1, 2005,² SouthernLINC Wireless amended its Petition and withdrew its request for ETC designation in the service area of Ardmore Telephone, including the areas where SouthernLINC Wireless provides service, rather than seeking redefinition of the Ardmore Telephone service area. In that filing, SouthernLINC Wireless also requested that the rate centers of Skyline, Henagar, Pisgah, Rainsville and Section in the service area of Otelco Telephone and the rate centers of Fyffe and Geraldine in the service area of Interstate Telephone service area be excluded from SouthernLINC Wireless's designation service area.

In its original and revised narrative filings, SouthernLINC Wireless incorrectly attributed the rate centers of Skyline and Section as being in Otelco Telephone's service area instead of CenturyTel of Alabama (Southern)'s service area, and the Henagar, Pisgah, and Rainsville rate centers as being in Otelco Telephone's service area instead of Farmer Telecommunications Cooperative's service area. In addition, the rate centers of Fyffe and Geraldine were incorrectly assigned to Interstate Telephone instead of Farmers Telecommunications Cooperative. Subsequently, SouthernLINC Wireless has confirmed it has service coverage capabilities in the service areas of Otelco Telephone, Interstate Telephone, as well as CenturyTel of Alabama and Farmers Telecommunications Cooperative, including the above listed rate centers. Therefore, by this filing, SouthernLINC Wireless respectfully withdraws its request to exclude those portions of the service areas of Otelco Telephone and Interstate Telephone, now correctly assigned to CenturyTel of Alabama and Farmer Telecommunications Cooperative, from its ETC designation in the State of Alabama.

The attached Second Revised Narrative description for revised Exhibit 1 indicates the changes SouthernLINC Wireless is requesting. A list of rate centers, by rural incumbent local exchange carrier, in which SouthernLINC Wireless is seeking designation as an ETC in the State of Alabama is also included.

² See *In the Matter of Southern Communications Services, Inc. d/b/a Southern LINC, Application for Designation as an Eligible Telecommunications Carrier in the states of Alabama and Georgia*, Reply Comments of Southern LINC, CC Docket No. 96-45 (filed Mar. 1, 2005) ("Reply Comments").
